

Popsicle Stick Kazoo

Supplies

- 2 Popsicle Sticks (or craft sticks)
- 1 THICK Rubber Band
- 2 THIN Rubber Bands
- 2 Straw Pieces (1-2 inches long)
- Supplies to decorate your kazoo (markers, stickers, paint, etc)

How to make your Popsicle Stick Kazoo

	<p>Step #1</p> <p>Take a large rubber band and stretch it over one of the large popsicle sticks</p>
	<p>Step #2</p> <p>Place one of the straw pieces <u>UNDER</u> the rubber band on the popsicle stick about 1/2 inch from the edge.</p> <p>Place the other straw piece <u>ON TOP</u> of the rubber band, also about 1/2 inch from the edge.</p>
	<p>Step #3</p> <p>Take the second popsicle stick and place it over the straws exactly on top of the first one. <u>Pinch it tightly</u> so the loose straw piece doesn't wiggle out!</p>
	<p>Step #4</p> <p>Use 2 small rubber bands to fasten the sticks together. Tie the rubber bands around both stick edges, on the outside of the straw pieces.</p> <p>Decorate your kazoo!</p>

Now let the music begin...

Place those sticks to your lips and **BLOW!**
